

## Scott Reamy

---

Young Professionals Program Fall Class of 2016  
External Affairs Manager, Dominion Energy

Scott Reamy is an External Affairs Manager with Dominion Energy. His role is to strengthen relationships between local governments and communities with Dominion Energy. He actively engages within the community as the local representative for the Dominion Energy Charitable Foundation.

During his 12 year career with Dominion, he has taken roles in Electric Distribution Design, Six Sigma, and Economic Development. Scott graduated with a B.S in Industrial Design from James Madison University and received his M.S. in Sustainable Design from the University of Florida. Currently, he serves on the Board of Regents for the Leadership Center for Excellence and the Board of Directors for the Arlington Chamber of Commerce. Scott is a graduate of LCE's Young Professional Program Fall Class of '16 and is currently enrolled in the Leadership Arlington Class of 2019.

Scott and his wife Courtney, along with their son, reside in Falls Church, Virginia.
